*This is a consumer tire rebate event for selected Goodyear & Dunlop car, van, pickup and SUV tires. Rebates and eligible tires are available online at www.goodyear.ca. To qualify for this event you must purchase your eligible tires between September 16th, 2012 and the expiry date of December 31st, 2012. ♦ "Instant Rebate" is a manufacturer's rebate with a difference. The participating retailer deducts the amount of the Instant Rebate from the participating retailer's price at the time of your purchase. For you there are no forms to fill out and no waiting for a cheque to be mailed. Goodyear rebates the participating retailer in due course. The participating retailer is solely responsible for determining the selling price of the tires without direction from Goodyear. Instant Rebates shown above are on a set of four tires. Rebates are also available per tire, on a pro-rated basis with a minimum purchase of two tires to a maximum of six tires per invoice. Cannot be combined with any other offer. See participating Goodyear retailers for details. Offer is valid for Canadian residents only and valid only for tire purchases from a participating Canadian retailer who operates a retail location in Canada. Not available for online purchases. NOT VALID for any purchases made at Walmart. See participating retailer for more details.
