**100XL** 2012  
Chevy Silverado

The 100XL goes SUVs one better, securing and protecting valuable cargo that doesn't belong in the back seat. A LEER custom-fit premium cap, the 100XL features SUV-style side windows with twist-out vents and an all-glass rear door with the LEER Twist Handle.

The information on this sheet may have been updated since printing and LEER truck caps and tonneaus may not be available for all import and domestic trucks. The equipment shown or described here may have regional plant manufacturing differences and may only be available as factory-installed options at an additional cost. Check with your local LEER Dealer for complete product information.
