Truck Caps and Tonneaus

THULE[®]
SWEDEN

Extend the Utility of LEER Truck Caps or Tonneaus

LEER is proud to offer your choice of two factory-installed Thule[®] Roof Rack Systems, the industry's most respected and best-selling rack system.

The Thule[®] AeroBlade Roof Rack System is a secure, great-looking rack system designed for carrying sports gear, luggage, kayaks, bikes, ladders and other cargo. A selection of accessories slide and lock into the tracks.

Thule[®] AeroBlade

The LEER factory installed Thule[®] Rack Systems includes the components shown here:

The AeroBlade Roof Rack System includes:

- **Innovative End Caps**
cover the slot in the aero bars and anchor accessories to the rack.
- **The AeroBlade Bar**
Sleek, tapered brushed aluminum bars with a wind-slicing profile
- **Top Tracks**
42", 47", 58" or 72"
LEER Factory installation uses the most appropriate track, depending on cap length
- **One Key System Locks**
Lock Foot Pack, TK I and Load Bars to Top Track. Two matching keys included

The Tracker II Roof Rack System includes:

- **Load Bars, 50", 58" 65" or 78"**
Attach to Tracker II to carry cargo, or to attach optional accessories
- **Tracker II Foot Pack**
Joins bars and TK I Track Bracket
- **TK I**
Attaches Tracker II Foot to Top Tracks

Tracker II Roof Rack System offers world-famous Thule[®] quality in a flexible, functional system that can carry almost anything you can imagine.

Expand the Utility of the Thule® Roof Rack System with These Great Accessories

When you order a LEER factory-installed Thule® Roof Rack, you have access to some of the most popular Thule Accessories at attractive prices. Consider these useful accessories when ordering.

Fairing provides aerodynamic path for wind up and over the roof rack; includes Thule® and LEER logos.

The **Quest Bag** is made of tough, water-resistant nylon, holds up to 13 cu. ft. of luggage, clothes, camping gear, etc.

Thule® Top Deck cradles and carries a kayak. Tough nylon tie-downs are included.

Thule® Flat Top holds up to six pairs of skis and poles. Also holds snowboards and wakeboards.

Thule® Big Mouth holds virtually any bike securely, without having to remove the front wheel.

Quick Draw tie-downs have a ratchet, hook and line to secure long loads.

Thule® Load Stops are tough, right angle brackets ideal for lumber, ladders, or a canoe.

Thule® Load Straps are durable, woven fabric straps with locking buckles.
