Thank you for taking the time to review our product offerings and services that Allegiant Emergency Services, Inc. has to offer. Allegiant was started in 2010 with the commitment to sell quality products and services at competitive prices. In this short of time, our company has grown to 4 employees providing sales and product service in the Dakotas, and parts of both Minnesota and Iowa. We have entered strategic and exclusive partnerships with companies such as Akron Brass, Cosmas Boots, RAE Detection Systems, Nuvaair Compressors, Holmatro Rescue Tools, Bristol Fire Gear and Toyne Fire Trucks just to name a few. It is companies like these that have helped us bring new solutions to market and provide you with better tools in today's ever changing conditions. We realize that not all of our offerings are listed, so we ask that you please call us so that we can assist you with your agencies needs. Knowing you have many choices for your department's equipment and service needs, we sincerely thank you in advance for giving us an opportunity to work with you. If we have had the opportunity to work with you in the past, I Thank You for choosing to do business with Allegiant.

Warmest Regards  
Mark Brenneman, President and Owner.
